HIT PARADER PREVIEW!

of
Frank Sinatra's
COMING
RKO Radio Picture

An eyeful to be seen soon in
Frank Sinatra's latest

Sinatra and George Murphy

WHERE DOES LOVE BEGIN

(From the coming Frank Sinatra RKO-Radio Picture)
Sammy Cahn Jule Styne

Where does love begin and where does
friendship end?

Give me what you call a peck, and
say it's just affection,

Where does love begin and where does
friendship end?

Why is it, everytime we neck, I find
I need protection?

There are some things we daren't,
that's what you always say

You treat me just like a parent, but
those kisses of father's

Don't give me the bothers, so

That's why I'd like to know

Where does love begin and where does
friendship end?

Copyright 1944 by Miller Music Corp.

AND THEN YOU KISSED ME

(From the coming Frank Sinatra RKO-Radio Picture)
Sammy Cahn Jule Styne

I thought I knew the magic of you

And then you kissed me

Dear when you kissed me

I simply stood there and gazed com-
pletely amazed

I walked around both feet on the
ground

And then you kissed me

Dear when you kissed me

I found myself on a cloud apart from
the crowd

I had nothing to glow about, you
came by

Now I know, all there's to know about

Things like stars in the sky

I will confess, I thought for a while

That you'd resist me but then you
kissed me

And now I'm in love.

SOME OTHER TIME

(From the coming Frank Sinatra RKO-Radio Picture)
Sammy Cahn Jule Styne

Some other time, I could resist you,

Yes, some other time, not now

There is no rhyme, now that I've
kissed you,

With all that is me I thee endow

Imagine me thinking you could never
phase me,

The tricks my imagination plays me,

You smile and this heart of mine be-
trays me

You know, it's so let's take the vow

To love forever not some other time,
but now.

Everybody Reads Hit Parader

Hollywood is fast becoming the "first" buyers of HIT PARADER as quick as they come off the presses. Here are Mary Landa and George Tobias out on the Warner Bros. lot rendering a chorus.

To The Editor:

WITH all of the current discussions prevalent to post-war planning in this field and that, I wonder what thought, if any, has been given to the music of tomorrow.

Turning back the clock to the post-war twenties, well do I remember the hectic days of blaring jazz with its fast (brassy) music. Then on to the late twenties and the style change to sweet rhythmic music (Guy Lombardo); or as found in my new song folio "Memory Kassel," and then swing, which made its bow in the early thirties.

Recently, the trend has been toward novelty songs and novelty bands. Typical examples are "Mairzy Doats" in song, and Al Trace, The Korn Kobbler and Spike Jones in music. But music and song, like the seasons, are ever-changing, and we can look for a transition before long.

It's a far cry from Congo Square, New Orleans, in the late 80's, when the negroes gathered and (unwittingly) laid the foundation for present day swing, with the rhythmic music they sang. The progress made in jazz and swing since those early days, has had no fixed pattern. That is why no one has ever been able to call the turn on "tomorrow's music."

But perhaps, that may be one of the good reasons for the popularity of HIT PARADER. For in your magazine, not only can one find the hit songs of today and yesterday, but all of the NEW songs that the music publishers are making ready for the popular music fans. And that is why all bandleaders, including myself, are avid readers of HIT PARADER. This then, may also be the means of determining what "tomorrow's music" will be.

So keep up the good work, and let's have all the new material (along with the top songs we always find in HIT PARADER) even if they're not popular yet.

HIT PARADER

DON'T TAKE YOUR LOVE FROM ME

Henry Nemo

Tear a star from out of the sky
and the sky feels blue,
Tear a petal from a rose and the
rose weeps too.
Take your heart away from mine and
mine will surely break,
My life is yours to make, so please
keep the spark awake
Would you take the oceans roar and
leave just a sigh?
All this your heart won't let you do,
this is what I beg of you,
Don't take your love from me.

IT'S A CRYING SHAME

Bob Russell Sam H. Stept

It's a crying shame
You treated love so carelessly
That it just became
Another dream gone by
Instead of holding it tightly
As devotion demands
You held love so lightly
It slipped out of our hands
And it's a crying shame
I let you mean so much to me
Did you light the flame
To watch the embers die
The plans we made were so precious
You didn't follow them through
You left me crying
Crying shame on you.

SO LONG, PAL

Al Dexter

So long, pal, it's time to say goodbye;
So long, gal, dry that tear from your
eye

Now that we are parting
It's hard to say goodbye,
But I'll always love you as days go
drifting by

So long, pal, there is no time for tears;
So long, gal, it won't take many years,
So, keep the home fires burning
For soon I'll be returning,
So, so long, old pal, so long.

MAIRZY DOATS

Milton Drake Al Hoffman Jerry Livingston

Mairzy doats and dozy doats and
liddle lamzy divey
A kiddley divey too, wouldn't you?
Yes! mairzy doats and dozy doats and
liddle lamzy divey
A kiddley divey too, wouldn't you?
If the words sound queer and funny
to your ear,

A little bit jumbled and jivey,
Sing "mares eat oats and does eat
oats and little lambs eat ivy"
Oh! mairzy doats and dozy doats and
liddle lamzy divey

A kiddley divey too, wouldn't you-oo?
A kiddley divey too, wouldn't you?

SWINGING ON A STAR

(From the Paramount Picture "Going My Way")
Johnny Burke Jimmy Van Heusen

A mule is an animal with long funny ears,
He kicks up at anything he hears,
His back is brawny and his brain is weak,
He's just plain stupid with a stubborn streak,
And by the way if you hate to go to school
You may grow up to be a mule;
Or would you like to swing on a star,
Carry moonbeams home in a jar,
And be better off than you are,
Or, would you rather be a pig?

ALWAYS YOURS

Fred Rose

The sky has lost its romance, stars
are out of place,
Nothing looks the same outdoors
Guess whose arms I'd love to be in.
Always yours.
The moon looks kind-a lonely dangling
there in space,
Shining on the sycamores,
Guess whose funny face I'm seein'.
Always yours.
The fam'ly want to say they miss you,
They seem to miss your stopping by,
And, darling, not to change the issue,
so do I.
Oh! There's so much to write you,
But it's time to dream of the one my
heart adores,
So, I'll say good night as ever, always
yours.

SAN FERNANDO VALLEY

Johnny Jenkins

O! I'm packin' my grip and I'm
leavin' today,
'Cause I'm takin' a trip California way
I'm gonna settle down and never more
roam
And make the San Fernando Valley
my home.
I'll forget my sins, I'll be makin' new
friends
Where the West begins, and the sunset
ends,
'Cause I've decided where "Yours
Truly" should be
And it's the San Fernando Valley for
me.
I think that I'm safe in statin'
She will be waitin' when my lonely
journey is done
And kindly old Rev'rend Thomas made
us a promise
He will make the two of us one
So, I'm hittin' the trail to the cow
country
You can forward my mail care of
R. F. D.
I'm gonna settle down and never more
roam
And make the San Fernando Valley
my home.

TIME WAITS FOR NO ONE

(From the Warner Bros. Picture "Shine On Harvest Moon")
Cliff Friend Charlie Tobias

Time waits for no one, it passes you
by
It rolls on forever like the clouds in
the sky
Time waits for no one, goes on
endlessly
It's just like a river flowing out to
the sea
You'll find that love is like this
Each precious moment we miss
Will never return again
So don't let us throw one sweet
moment away
For time waits for no one
Let's take love while we may.

GOING MY WAY

(From the Paramount Picture "Going My Way")
Johnny Burke Jimmy Van Heusen

This road leads to Rainbowville
Going my way?
Up ahead is Bluebird Hill
Going my way?
Just pack a basket full of wishes
And off you start with Sunday morning
in your heart
'Round the bend you'll see a sign
"Dreamer's Highway"
Happiness is down the line
Going my way?
The smiles you'll gather will look well
on you
Oh, I hope you're going my way too.

THE DAY AFTER FOREVER

(From the Paramount Picture "Going My Way")
Johnny Burke Jimmy Van Heusen

All day tomorrow I'll be whispering
your name
And the day after forever I know I'll
do the same
Maytime or winter I won't let you
out of sight
And the day after forever we'll talk
about tonight
Your laughter is a melody that I'll
remember long
It plays upon my heart-strings it's my
favorite song
All through a lifetime I'll be loving
you.
And then on the day after forever I'll
just begin again.

MAMALU

Low Brown Ted Flo-Rito

In a quaint old market place
In the town of New Orleans
With a smile upon her face
Sits the queen of all the queens
Tho's she's wrinkled and she's old
And she hasn't much to say
She brings happiness untold
In her own peculiar way
Mamalu-Mamalu-Mamalu

Here comes old Mamalu
Ain't nothin' she can't do
With a boo-jee boo-jee-bee
And a boo-jee boo-jee-boo
Folks bring their worries to
No one but Mamalu
With a boo-jee boo-jee-bee
And a boo-jee boo-jee-boo
When she starts rockin'
That means good times
They fill her stockin'
With plenty of dimes
When good luck says "How do"
They thank old Mamalu
And they're happy so is she
With a boo-jee boo-jee-bee
And a boo-jee boo-jee-boo
Mamalu-Mamalu-Mamalu-oo.

"SING A JINGLE"

A UNIVERSAL PICTURE

SING A JINGLE

(From the Universal Picture "Sing A Jingle")
Inez James Sidney Miller

Get in the swing, come on and sing a
jingle,

Let a song begin your day
We'll be a gay and happy throng
If we tra-la-la-la along

It's such an easy thing to sing a jingle
as the bluebirds always do

Or like the man who goes his way
Singin' "Any old rags today"

Just take a simple little melody
And keep that melody deep in your
heart

Let a song see you through whenever
troubles start

So wear a smile and while we sing a
jingle

Ev'ry single heart will be in tune
Soon the sun will be along

If we sing a jingle song.

HOW MANY TIMES DO I HAVE TO TELL YOU

(From 20th Century-Fox "Four Jills in a Jeep")
Harold Adamson Jimmy McHugh
I keep talking and you keep list'n'ing
I do the best I know how
I keep talking and you keep list'n'ing,
But nothing has happened up to now.
How many times do I have to tell you,
That you're the person that I adore?
How many times do I have to tell you,
And not repeat what I've said before?
How many ways can I say I miss you,
And skip the ever familiar rhymes?
How many times do I have to kiss
you?

Don't make it less than a million
times!

I've said over and over and over and
over again,

That you are my one obsession,
But I'd be willing to say it again and
again,

If I thought it would make an im-
pression,

How many dreams do I have to sell
you,

To make the one in my heart come
true?

How many times do I have to tell you,
Before you know I'm in love with
you?

HOW BLUE THE NIGHT

(From 20th Century-Fox "Four Jills in a Jeep")
Harold Adamson Jimmy McHugh
How blue the night, how long the day,
How blue the night with you away,
How strange it seems just living in
dreams
I'm left in the moonglow, but where
did the moon go?

The stars on high, that used to burn,
Are standing by for your return,
Until my arms are holding you tight,
How blue my heart, how blue the night!

But she's always a lady even in pantomime, so she stops!

And I'll be there
Please walk alone
And send your love and your kisses
to guide me

'Till you're walking beside me
I'll walk alone.

IT'S HOT IN CHILE

(From S.A.S.C. "At Your Service")
Pvt. Edw. Heyman Pvt. Edward Sorkin

It's hot in Chile, but all of the heat
is not from the beat of the sun or
the street in Chile,

It's hot in Chile, the minute they
dance, it's love and romance and
a come hither glance that's not
so in Chile

When you meet a good neighbor, just
watch the humidity start,

I'll bet a hundred to one that it's a
hundred and one in your heart,

When you meet a good neighbor whose
lips are appealing to you,

You'll find you can't be emphatic, and
can't be ecstatic, and be

diplomatic, too, it's oh so thrillingly,
To know the desire of starting a fire

with the one you admire in Chile,
You've got in Chile a glamorous spot

that warms you a lot, but you're
glad to be hot in Chile!

It's hot in Chile!

I GOT THE BIRD ON THE CANARY ISLANDS

(From S.A.S.C. "At Your Service")
Pvt. Edw. Heyman Pvt. Paul Baker

I found a gal on the Canary Islands,
Oh! what a gal was she,

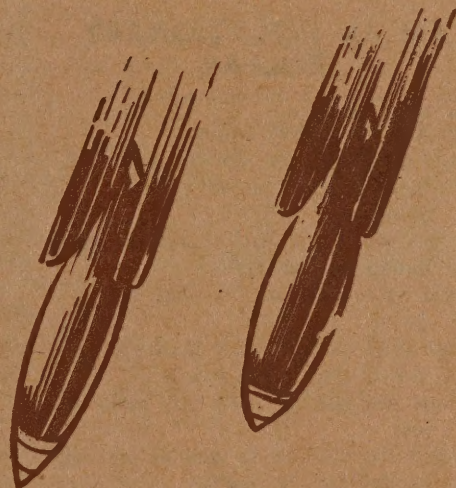

Under the moon on the Canary Islands,
she said she'd wait for me,

My heart was beating like a voodoo,
but she turned out to be my
hoodoo,

She flapped her wings and flew away
without a single word,

And on these merry Canary Islands,
I got the bird!

(From S.A.S.C. "At Your Service")

I can see Mom a sittin' and readin'
what I've written,

I wonder how she is tonight,
I can see Dad a smokin' the pipe that
he just broke in,

I wonder how he is tonight,
Lonely days are not as bad as often
they can be

For ev'ry time I think of them, I
know they think of me,

I can hear my gal sayin', "For you
I'm always prayin'",

I wonder how she is tonight.

ISN'T LOVE A RAINBOW?

(From S.A.S.C. "At Your Service")
Pvt. Edw. Heyman Pvt. Pat Abernethy

Tears fell like summer rain when we
said goodbye

But isn't love a rainbow in the sky?
Some day we'll meet again, though
clouds float above,

For rainbows are as beautiful as love,
We are one, so surely for us the sun
is bound to shine,

For you'll be always mine, just as
I'm yours,

After the raging storm, I'll come
back to you,

For, isn't love a rainbow in the blue?

I'M AN INFLATIONARY DOLLAR

(From the musical show "Figure It Out")
John McGee Owen Haynes

I'm an inflationary dollar
And as any clever scholar can
determine by some plain
arithmetic
If the public's paying double for each
bauble, bit or bubble
We'll be running into trouble double
quick!
Each inflationary dollar makes your
money that much smaller,
Keeps you paying more and more for
less
And if I'm allowed to wonder you will
really hate to ponder
My beautiful inflationary mess!

FIGURE IT OUT FOR YOURSELF

(From the musical show "Figure It Out")
John McGee Owen Haynes

Figure it out for yourself;
Are you doing all you think you could?
Figure it out for yourself:
Are you doing all you ought to do,
Say, figure it out for yourself:
And the answer had better be good,
For with Uncle Sam calling there's no
room for stalling,
So figure it out for yourself.

A BRAND new device for War Bond promotion was launched with great success in Cleveland, Ohio, recently, when faculty and students of Cleveland High School, pooled their talents to present the world premiere of "Figure It Out," a full length musical show written especially to tell the story of our war swollen income and what we should be doing with it.

SQUANDER BUG

(From the musical show "Figure It Out")
John McGee Owen Haynes

Squander bug! That's what they call
me little squander bug
A pert and pretty little squander bug,
But confidentially, a thug!
I give your pocketbook an awful tug!
I'm squander bug!
I work on people like a powerful drug
I show them things they'd like to buy
and lug
That's why they call me squander bug!
I grin and grin because to me it's
funny watchin' people spend their
dough
I laugh and laugh because I know their
money is easy come easy go!
I'm squander bug!
I can entice you without kiss or hug,
I merely bite you till you get the bug
Squander bug! They call me squander
bug!

We're the biggest batch of dollars ever
made
Oh! we used to march by millions, but
now we march by billions
And maybe we'll be trillions 'fore
you're "Daid"
We're the dollars on the nation on
parade
We're the money all of you are getting
paid
In the fiscal year before us
There'll be a hundred and ninety-four
billion more of us
Dollars of the nation marching on
parade.

SIXTY FOUR DOLLAR QUESTION

(From the musical show "Figure It Out")
John McGee Owen Haynes

What's the answer do you know
Where your money ought to go?
To be spendin' or investin'
That's the sixty four dollar question!
What's the answer can you say
Where to put your dough away?
On the market what's the best one?
That's the sixty four dollar question
Should we consult an economist, banker
lawyer, clerk or astronomist?
Should we call on a statistician, or
just rely on intuition?
What's the answer, can you guess?
Think before you answer yes
Then give out with your suggestion
For the sixty four dollar question.

HOW'S ABOUT YOU AND ME

(From the musical show "Figure It Out")
John McGee Owen Haynes

How's about you and me
Showin' 'em something new and nifty?
How's about you and me?
Together how's about you and me
Learnin' to be a bit more thrifty?
How's about you and me?
Oh, what the deuce would be the use
in rationin' all our fun?
Ah, what the deuce would be the use
if every soldier dropped his gun?
Say! How's about you and me huntin'
a place where the moon will be?
Oh! How's about you and me?

HIT PARADER

HELLO AND NOT SO LONG

Vera Massey Bob Hamilton Ed. East

It won't be long till you'll be gone
There's not much time to say that
I've been wrong
To never share a love so strong
There's time for just 'so long'
Each night I'll pray there'll come a
day
When you'll come back to me, then I
can say
I love you, darling, more each day
Till then it's just 'so long'
I can see how sense-less words can be
Now that we're ready to part
All I hope, you see, is that your love
for me
I'll keep locked in my heart
I'll be so brave, my love I'll save
I'll count the hours that pass within
each day
Until that moment I can say
Hello and not so long.

With magic Polynesian charms.
The moon of Manakoorā came in sight,

Then I'll behold it in your dusky eyes
And you'll be in my arms once more.

RED GROW THE ROSES

Del Porter "Country" Washburne

Red grow the roses, I love their sweet
perfume,
My thoughts are all of you, sweetheart,
when roses are in bloom;
Red grow the roses, recalling mem'ries
sweet,
Of days when I laid garlands made of
roses at your feet.
We found romance 'neath the blossoms
in May,
And I kissed your lips through a
rosebud bouquet;
Red grow the roses, they tell of love
so true,
I'll always bring you roses for the roses
brought me you.

Till I'm with you again.

HEY, TOJO! COUNT YO' MEN!

Beck Ram Clarence Stout

Boom! went the cannon SSS went the
shell,
They'd count up to seven and then
they'd yell
Hallelujah! 8-9-10 Hey! Tojo! Count
yo' men.
Wham! went another burst from the
gun
Their observer hollered "a solid one"
Hallelujah! 8-9-10 Hey! Tojo, Count
yo' men.
They had rhythm when they'd load
their gun
Then they'd point it at the Rising Sun
And when their aim was perfect, their
eyes would gleam,
Until the sergeant hollered to them "on
the beam"
Boom! went the cannon SSS went the
shell
Then would come the answer the Japs
knew well
Hallelujah! 8-9-10 Hey! Tojo, Count
yo' men.

SPRING WILL BE A LITTLE LATE THIS YEAR

(From the Universal Picture "Christmas Holiday")
Frank Loesser

Spring will be a little late this year
A little late arriving in my lonely
world over here
For you have left me and where is
our April of old?
You have left me and winter continues
cold,
As if to say spring will be a little slow
to start
A little slow reviving that music it
made in my heart.
Yes, time heals all things,
So I needn't cling to this fear,
It's merely that spring will be a little
late this year.

TESS'S TORCH SONG

(I HAD A MAN)

(From the Samuel Goldwyn Production "Up in Arms")
Ted Koehler Harold Arlen

I had a man, he was a good man,
That is you see what I mean is,
I thought he was a good man;
I had a friend, she was a good friend,
I told my friend 'bout my man
'Cause I thought she was a good friend.
Life was sweet, didn't I have my man
World complete, then the fireworks
began,
Ain't got no man, ain't got no friend,
I'll bet you can guess just exactly what
happened,
That was the end, the end of my
friend,
The end of my man and almost the
end of me.

HOLLYWOOD HEART BEAT

with Joanne Linder

WHEN BOB HOPE was abroad entertaining troops and Bing Crosby was at Paramount Studio starring in "Going My Way," the gag battle between the two continued. Crosby received a picture postcard from Hope, showing a wreck of a North African village, with a single native walking down the middle of the one street. "Your picture 'Holiday Inn' playing here and doing smashing business," read the inscription on the back of the card.

JOHN CONTE, SINGER and radio star, has been given the male romantic lead in "Lost In a Harem," new Abbott and Costello film musical at M-G-M, and immediately started work on two song hits, "Sons of the Desert" and "It Is Written," especially composed for him. Conte, who appears with Frank Morgan on radio, first attracted screen attention when he appeared with Morgan in a skit in "Thousands Cheer."

RIGHTS TO PRODUCE the life of Vincent Youmans, famous composer, has been secured by Jack L. Warner. The film which will be entitled "Sometimes I'm Happy," will be a cavalcade of Youmans' tunes, including "Tea For Two," and songs from such operettas as "No, No Nanette" and "Hit the Deck." Ann Sheridan and Dennis Morgan are slated for the top billing in the film musical. Acquisition of the Youmans property adds another distinguished show-business personality to the Warner production and release schedules, including "Shine On Harvest Moon" (featured in this issue of Hit Parader), "Rhapsody In Blue," the story and music of George Gershwin, "Silver Lining," based on life of Marilyn Miller, "Night and Day," life of Cole Porter, and "Mr. Broadway," life of Sime Silverman, founder of "Variety."

HEARTBEAT: A total of seven song will be introduced in Paramount's "Road to Utopia," starring Bing Crosby, Bob Hope and Dorothy Lamour (look for them in Hit Parader soon). . . . Xavier Cugat, who was born in Barcelona, Spain, is almost as famous for his ability to prepare Mexican dishes as he is for his rumba rhythms.

ON A LITTLE STREET IN SINGAPORE

Billy Hill Peter De Rose

On a little street in Singapore
We'd meet beside a lotus covered door
A veil of moonlight on her lonely face
How pale the hands that held me in
embrace
My sails tonight are filled with
perfume of Shalimar
With temple bells to guide me to the
shore
And then I'll hold her in my arms
And love the way I loved before
On a little street in Singapore.

DON'T SWEETHEART ME

Cliff Friend Charlie Tobias

Don't sweetheart me if you don't mean
it
Don't talk sweet words if they're not
true
Don't tear my heart like it was paper
Because my heart loves only you;
You can't go 'round "sweethearting"
others
And then pretend that I am yours
exclusively
Love must be true, mean what you're
saying,
Unless you do don't sweetheart me.

wonders when

NOW I KNOW

(From the Samuel Goldwyn Production "Up in Arms")
Ted Koehler Harold Arlen

I used to be bewildered,
My outlook on life wasn't clear
Then all at once the mist seemed to
disappear
Now I know why I go walkin' 'round
in a wonderful glow;
There's a lot that I'm not conscious of
But this feeling I feel must be love;
Now I know why it's so,
Why I'm alive and I thrive on the
thrill;
Here am I riding high on a hill
Far away from the usual drone with a
world of my own at my feet
All because fate was heavenly sweet
to have planned that we meet;
Never dreamed in my wildest dream
that I'd fall quite so whole
heartedly,
Now I know love is all that it's
cracked up to be.

Marianne, how wonderful it was I
found you,
Marianne, I only live to be around you
I'll never know just how I blundered
into heaven,
I walked upon the stars from Jupiter
to Mars the moment that we met
My Marianne, I never heard the angels
singing,
But they began a song that in my
heart keeps ringing,
If it's a dream then only let me keep
on dreaming,
Just dreaming while I can,
The dreams that all began with you
my Marianne.

THE BAD LITTLE PIGGIE

"Mickey" Gillette Dick McGaffery

The bad little piggie went to market
Bought ev'rything from soup to jam
He bought an awful lot whether he
needed it or not
He's a bad little piggie a black market
ham
The bad little piggie got to thinkin'
Oh what a smarty pig I am
While others go out I'll be in food up
to my snout
He's a bad little piggie a black market
ham
But the good little piggie was fair
All he took was just his share
With a little bit of this and a little
bit of that
He has all he needs and he won't get
fat
Now the bad little piggie's in the
market
No more will piggie stuff and cram
The people stop to look laughin' at
piggie on the hook
For the bad little piggie's a sugar
cured ham.

JERI SULLIVAN—Introduced a new song recently over her coast-to-coast CBS radio program, "Hat Check Girl." Written by the two top-flight writers, Carl Lampl, who recently came up with the Frank Sinatra favorite, "Close To You," and George Hamilton, the well known orchestra leader currently at the Hotel Cleveland, who wrote such favorites as "Betty Co-Ed" and "Wild Honey," the song is definitely slated for the "hit brackets." Inspired by a beautiful hat check girl at the Hotel Cleveland, the boys decided that it was time someone glorified these unsung beauties. A few of the leading entertainers who have already readied the song for performance are: Vincent Lopez, Ella Mae Morse, The Star Dusters, June Hutton, Ina Ray Hutton, Kimloo Sisters, Bonny Baker, Count Basie, Johnny Long, Vaughn Monroe, Willard, and many others too numerous to mention here. "Hat Check Girl" is too different to turn up as just another song—watch this tune go.

JERI SULLIVAN

HAT CHECK GIRL

George Hamilton Carl Lampl

Night after night unfailingly I take
his hat,
He smiles at me and that's the way
it will have to be,
'Cause I'm just the hat check girl
I find his coat a special place, then
make believe I see his face,
He will never know that I love him so,
'Cause I'm just the hat check girl
After the evening is ended, in my hand
a coin he slips
How many times I've pretended my
tip was a kiss from his lips
I ask my heart why all this whirl, he
always brings that certain girl
I know he lives in a different world,
And I'm just the hat check girl.

WHILE this war has not as yet produced an outstanding stirring war song—here is one that won't be forgotten—"I'd Like To Give My Dog To Uncle Sam." Written by "Red River" Dave McEnery, who needs no introduction to Tin Pan Alley, the song has been favorably received by the top entertainers and listeners. The story of this patriotic lad and his dog in song is here to stay.

I'D LIKE TO GIVE MY DOG TO UNCLE SAM

(THE BLIND BOY AND HIS DOG)

Dave McEnery

There are no heroes on the battlefields
where the white waves toss
But here's the greatest hero I ever
ran across
He was just a little blind boy who
loved his country—so
This is what he told them when they
wouldn't let him go:
I'd like to give my dog to Uncle Sam
You see, sir, I'm a blind boy, yes I am
I'd like to do my part, to show what's
in my heart,
And help my country win this war we
are in
My Rover, he can hear a mile away
And he can see at night as well as day
I'll get along somehow
If my country needs him now
I'd like to give my dog to Uncle Sam.

SHE BROKE MY HEART IN THREE PLACES

Milton Drake Al Hoffman Jerry Livingston

She broke my heart in three places
Seattle, Chicago and New York
She led me on those wild goose chases
But, brother! I trailed her like a hawk
It started in the moonlight
We drifted on a lake
Down on my knees I whispered,
"Please give my heart a break"—so
She broke my heart in three places
Seattle, Chicago and New York.

It's funny to ev'ryone but me.

DO NOTHIN' TILL YOU HEAR FROM ME

Duke Ellington Bob Russell

Do nothin' till you hear from me
Pay no attention to what's said
Why people tear the seam of anyone's
dream

Is over my head
Do nothin' till you hear from me
At least consider our romance
If you should take the word of others
you've heard

I haven't a chance
True I've been seen with someone new
But does that mean that I'm untrue
When we're apart the words in my
heart

Reveal how I feel about you
Some kiss may cloud my memory
And other arms may hold a thrill
But please do nothin' till you hear it
from me

And I never will.

I saw she was crying
And I left broken hearted
She's waiting still for me
And soon there I shall be.

THE MUSIC STOPPED

(From the RKO-Radio Picture "Higher and Higher")
Harold Adamson Jimmy McHugh

The music stopped, but we were still dancing,
Which goes to show that music has charms;
The lights were low, so we kept on dancing,
I felt the glow of you in my arms,
The band had left the stand and we were in heaven,
Dancing on a cloud 'way off in the blue.
The music stopped, and people were glancing,
But we went on dancing, for we didn't know,
Because the lights were low
And we were in love.

Who do I fight for, Mad-cap Mar'gret

It all depends on the mood she's in.

ALL FOR YOU

Robert Scherman

When you raise your eyes and make believe,
All the stars come out and paint a world in blue
There's my heart, right up your sleeve waiting,
All for you.

When you smile on me the world is mine,
And the dreams I've dreamed I know will all come true
Ev'ry prayer becomes divine waiting,
All for you

My heart is beating to that old refrain
When I'm alone with you
My heart's repeating I'm in love again
Can't we hold a rendezvous?
You're the dream, the song I sing,
You're the stars and moon and nearly ev'rything

Life would be a symphony, living
All for you.

You hear the chimes on high the song is big Ben's

Just someone that you used to know,
Once you couldn't be close enough to me,

Darling recently, you're so distant,
I know that you've made a new acquaintance,

I feel it in my heart somehow,
Never thought the day would come when I would say

I'm just an old acquaintance now.

IRRESISTIBLE YOU

(From the M-G-M Picture "Broadway Rhythm")
Don Raye Gene De Paul

Irresistible you, my heart has gone to you

And while I exist I'll be irresistibly drawn to you

I know from the first it was so, I was caught in the undertow,
And was lost from the moment we kissed.

Irresistible you, you're in the heart of me

And your magic eyes seem to magnetize ev'ry part of me

For we don't want to resist irresistible you.

MILKMAN, KEEP THOSE BOTTLES QUIET

(From the M-G-M Picture "Broadway Rhythm")
Don Raye Gene De Paul

Milkman, keep those bottles quiet!
Can't use that jive on my milk diet!
So, milkman, keep those bottles quiet!
Been jumpin' on the swing shift all night,

Turnin' out my quota all right.
Now I'm beat right down to the sod
And I've got to dig myself some nod
So, milkman, keep those bottles quiet!

MOONLIGHT WHISPERS

Frankie Carlo Al. J. Wolburg

Moonlight whispers
And sweet music to dance to have found us

Ah! What a sweet delight
Moonlight whispers
Spread a blanket of star-dust around us,

This is our night
Hold me closer, I feel I'm falling
Is this moonlight or madness
enthraling

Something tells me it's love that's calling

Darling, listen with your heart tonight
Moonlight whispers

As we linger the dawn will surround us

We mustn't let this night be ended
Till you hear me whisper too,
Moonlight whispers of my love for you.

GERTIE FROM BIZERTE

James Cavanaugh Walter Kent Bob Cutter

There's a lovesick "Magoo" in the Army

Who's in love with a sweet desert rose
When the moon's shining bright
He sings to her each night
And here's the way it goes:

Oh! Gertie from Bizerte
You're as purty, purty, purty as can be
Gertie from Bizerte

Don't you never, ever dare desertie me
Tho' your lingo I don't know

When we kiss you make me holler "bingo"

Oh! Gertie from Bizerte you're the gal for me.

I DON'T NEED A MILLION DOLLARS

Carl W. Burton Roscoe F. Barnhart

I don't need a million dollars
If I had one kiss from you.

I don't need a million dollars
Just a little lovin' from you.

We will stroll through lover's lane,
If it pours, we won't mind the rain.

I don't need a million dollars
Just a little lovin' from you.

MOONLIGHT COCKTAIL

Kim Cannon Lucky Roberts

Coupl'a jiggers of moonlight and
add a star,
Pour in the blue of a June night
and one guitar,
Mix in a coupl'a dreamers and
there you are
Lovers hail the Moonlight Cocktail
Now add a coupl'a flowers, a drop
of dew,
Stir for a coupl'a hours till dreams
come true,
As to the number of kisses, it's up
to you
Moonlight cocktails need a few,
Cool it in the summer breeze
Serve it in the starlight under the
trees
You'll discover tricks like these,
Are sure to make your moonlight
cocktail please
Follow the simple directions and
they will bring,
Life of another complexion, where
you'll be king
You will awake in the morning and
start to sing
Moonlight cocktails are the thing.

SOMEBODY LOVES YOU

Charles Tobias Peter DeRose

Somebody loves you, I want you
to know
Longs to be near you wherever
you go,
Somebody loves you and right
from the start,
Happiness flew into someone's
heart.
Somebody loves you each hour of
the day,
When you're around, dear, or
when you're away.
Somebody loves you sweetheart
can't you see?
And that somebody is me.

BY THE RIVER OF THE ROSES

Marty Symes Joe Burke

I met her by the River of the Roses
The sweetest girl this side of
Alamo
I left her by the River of the Roses
With tear dimmed eyes she whis-
pered "I'll miss you so"
All the roses have faded since
we've been apart
But the one rose she gave me will
always bloom within my heart
And some day by the River of the
Roses
I don't know when but we'll meet
again I know
She's waiting by the River of the
Roses
The sweetest girl this side of the
Alamo.

I'LL BE AROUND

Alec Wilder

I'll be around no matter how you
treat me now,
I'll be around from now on
Your latest love can never last
and when it's past,
I'll be around when he's gone.
Goodbye again, and if you find a
love like mine
Just now and then drop a line to
say you're feeling fine,
And when things go wrong, per-
haps you'll see you're meant
for me,
So I'll be around when he's gone.

BLUE CHAMPAGNE

Grady Watts Frank Ryerson

Blue champagne, purple shadows
and blue champagne
With the echoes that still remain
I keep a blue rendezvous
Bubbles rise like a fountain before
my eyes
And they suddenly crystalize
To form a vision of you
All the plans we started all the
songs we sang
Each little dream we knew seems
to overtake me like a
boomerang
Blue is the sparkle, gone is the
tang
Each old refrain keeps returning
as I remain
With my mem'ries and blue cham-
pagne
To toast the dream that was you.

MY MELANCHOLY BABY

Ernie Burnett

Come, sweetheart mine,
Don't sit and pine
Tell me of the cares
That make you feel so blue
What have I done?
Answer me, hon'.
Have I ever said an unkind word
to you
My love is true
And just for you
I'd do almost anything at anytime
Dear, when you sigh
Or when you cry
Something seems to grip
This very heart of mine:

Come to me, my melancholy baby
Cuddle up and don't be blue
All your fears are foolish fancy
maybe
You know, dear, that I'm in love
with you
Ev'ry cloud must have a silver
lining
Wait until the sun shines through
Smile, my honey dear
While I kiss away each tear
Or else I shall be melancholy, too.

GOOD NIGHT, WHEREVER YOU ARE

Dick Robertson Al Hoffman Frank Weldon

Good night wherever you are
May your dreams be pleasant
dreams wherever you are
If only one little wish that I wish
comes true
I know that the angels will watch
over you
Good night wherever you are
I'll be with you dear, no matter
how near or far
With all my heart I pray that
ev'ry thing is all right
Wherever you are good night.

GOODBYE SUE

Jimmy Ryle Lou Rieca Jules Loman

They were standing in a crowded
station,
So unaware of all the people
there,
Didn't mean to hear their conver-
sation,
But anyone could tell it was their
last farewell
Goodbye Sue, all the best of luck
to you
You've been my only gal
What's more my best pal
Please don't cry,
Smile until the clouds roll by
Don't kiss me dear, just walk away
Or I could never say
Goodbye Sue.

THEY'RE WEARING 'EM HIGHER IN HAWAII

Joe Goodwin Maisey K. Mohr

For they're wearing 'em higher in Hawaii,
Higher, higher, higher, higher in Hawaii,
The beautiful beach at Waikiki
Is not the only pretty sight that you can see,
In Hawaii the maiden there are flyer,
They simply sway your heart away,
Hula maids are always full of pep,
All the old men have to watch their step,
For they're wearing 'em higher in Hawaii,
They're going up, going up, ev'ry day.

ALABAMY BOUND

(Featured in the RKO-Radio Picture "Show Business")
Bud De Sylva Bud Green Ray Henderson

I'm Alabamy bound,
There'll be no "Heebie Jeebies" hangin' 'round,
Just gave the meanest ticket man on earth all I'm worth
To put my tootsies in an upper berth.
Just hear that choo choo sound
I know that soon we're goin' to cover ground
And then I'll holler so the world will know "Here I Go"
I'm Alabamy bound.

Lovely you're so lovely
Stars above me they're aware
You're just the sweetest thing
Charming you're so charming
It's alarming I declare
You're just the sweetest thing

HEAVENLY BODY

HAPPINESS IS A THING CALLED JOE

(Featured in the M-G-M Picture "Heavenly Body")
E. Y. Harburg Harold Arlen

It seems like happiness is jes' a thing called Joe
He's got a smile that makes the lilac wanna grow
He's got a way that makes the angels heave a sigh
When they know little Joe's passing by
Sometime the cabin's gloomy an' the table bare
Then he'll kiss me an' it's Christmas ev'rywhere
Troubles fly away an' life is easy go
Does he love me good that's all I need to know
Seems like happiness is jes' a thing called Joe.

THE MERRY WIDOW WALTZ

(Featured in the M-G-M Picture "Heavenly Body")
Franz Lehar

Hear those dreamy sentimental melodies
Come my dashing temperamental Viennese
Live for love and laughter music seems to say
Never mind what's after, live and love today
Why should we be afraid, the night will lend her aid
The music is calling so tenderly to you and me
My dark-eyed Viennese, my adored Viennese
O let our dreams tonight be memories

HIT PARADER

MEXICO CITY

Mort Greene Walter Donaldson

It all began in Mexico City
I didn't plan falling in love that night
But it was June in Mexico City
There was a moon
Something a heart can't fight
If you were in the spot I was in
With moonlight and starlight above
you
You would have said the same thing I
said
I love you, I love you, I love you
That's how it was in Mexico City
I know because I fell in love that
night.

S-S-S-SO SORRY HIROHITO

Harold B. Armitage

S-S-S-So sorry Hirohito,
We're very very sorry to be rude,
By our unworthy attitude;
Out of the blue sky we came a riding
You went into your snake dance on
the bay,
We spotted you and made our run;
The bombardier didn't know,
'Twas all supposed to be in fun
And he let the darn thing go!
S-S-S-So sorry Hirohito,
But just before we leave we'd like to
say,
We much regret your loss of face,
Oh, little men of master race,
We're sorry to be this way.

ONE LITTLE WAC

Frank Loesser Eddie Dunstetter

One little Wac, a khaki covered cutie,
One little Wac released a man for duty
One little man, he flew thru the flak
to Berlin and back
With bombs in his rack,
And one little bomb he dropped upon
the city,
One little bomb, he aimed so true and
pretty
That was the bomb that broke Hitler's
back,
A score for the Yanks,
Thanks to the one little Wac.

FORWARD MARCH

Bart Mount Hester Cronan

Attention dear
Shoulder arms,
Loving charms
Right face.
One kiss
Such bliss
Forward march
One, two, three, four.
You're the one I adore
Just right left, right.
Down the aisle
Halt dear
Present ring
One, two, I do
Choir sing
Wedding march
Silence please at ease.

THEY'RE EITHER TOO YOUNG OR TOO OLD

(From the Warner Bros. Picture
"Thank Your Lucky Stars")
Frank Loesser Arthur Schwartz

They're either too young or too old,
They're either too grey or too grassy
green
The pickin's are poor and the crop is
lean
What's good is in the army,
What's left will never harm me.
They're either too old or too young,
So darling you'll never get stung
Tomorrow I'll go hiking with that
eagle scout unless
I get a call from grandpa for a snappy
game of chess
I'm finding it easy to stay good as
gold
They're either too young or too old.
I'll never, never fail ya,
While you are in Australia,
Or out in the Aleutians,
Or off among the Rooshians
And flying over Egypt
Your heart will never be gypped,
And when you get to India,
I'll still be what I've been to ya
I've looked the field over, and lo, and
behold!
They're either too young or too old!

LOVE AMERICA

(OR LEAVE IT ALONE)

Clarence Gaskill

Love it or leave it if you don't believe
it,
Love America or leave it alone
If you don't love it and think nothing
of it,
Then go find a home of your own
If you don't love the land of the red,
white and blue
There's a hundred and thirty million
others who do
So love it or leave it for you can't
deceive it,
Love America or leave it alone.

I LIKE TO BE LOVED

(From the Universal Picture "Week End Pass")
Everett Carter Milton Rosen

Like the walk in the moonlight
Or park by the ocean
I yearn my devotion
I like to be loved.
How I love to be cuddled
I can't do without it
No two ways about it
I like to be loved.
A stroll in the dark,
A bench in the park,
Murder! Oh what bliss
Take it from me, my life's gonna be
One big endless kiss.
Wouldn't mind if we romanced
Why don't you suggest it
You've probably guessed it
I like to be loved.

SILVER WINGS IN THE MOONLIGHT

Hugh Charles Leo Towers Sonny Miller

Silver wings in the moonlight, flying
high up above,
While I'm patiently waiting please take
care of my love

Silver wings in the moonlight, silver
bird in the sky,

Many times has he told me he loves
both you and I

So I must share him with you, what
can I do,

It just has to be, I'll never keep him
from you,

Honest, if you won't keep him from
me

If you love him like I do take him
safely and then

Silver wings in the moonlight bring
him homeward again.

Low Mel George Weir Tommy Carey

When we Nip, Nip, Nip, The
Nipponese,

Oh, we'll have Hirohito begging on
his knees

To his Sun God he will pray,
For peace with the U. S. A.

For we'll make Tokyo look like a
switzer cheese

When we Nip, Nip, Nip, the Nipponese
Oh, we'll give Tojo that old Yankee

Doodle squeeze

For Pearl Harbor he will pay,

Yes, Nippon will rue that day,

When we Nip, Nip, Nip, the Nipponese.

I AM, ARE YOU

(From the Universal Picture "Weekend Pass")
Everett Carter Milton Rosen

Are you strangely affected by
moonlight?

I am, are you

Are you carried away by a June night?

I am, are you

Does your heart beat faster on

Does something happen inside you just
at the drop of a kiss?

Are you yearning to whisper "I love
you?"

I am, are you.

Didn't Dream She Could Learn So Quickly!

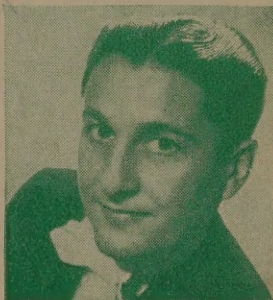

"I DIDN'T dream I could actually learn to play without a teacher . . . I had always heard it couldn't be done. You can imagine my surprise when after 3 or 4 weeks I found I could play real tunes. Now when I play people will hardly believe that I learned to play so well in so short a time. Any person who takes your piano course and studies it cannot help but learn to play." *H. C. S. ● Lawrence Welk's achievements should be an inspiration to all students of music. Brought up on a farm, his rise to fame was rapid. He has played at the largest theatres, hotels and colleges. He and his orchestra have been heard over one of the leading radio networks. And he's done it all without a professional music teacher.

Here's what he says about the U. S. School, which proved a tremendous help to him:

"I studied the accordion with the U. S. School and derived real benefit from it. I was surprised to find how simple the U. S. School method made learning music. Every step was clearly illustrated. And I was pleased to see the many fascinating songs included in the course. I can highly recommend this school to anyone interested in learning music quickly, without a private teacher, at such a low cost."
